Set Up Your Free and Professional Branded Email Account

If you would like to set up an email address using your domain name, for example pjones@patjones.com, pat@patjones.com, or train@patjones.com, please fill in the following information:

Primary email: _____ @[\[YourDomainName\].com](#)

You can check your email through our web mail system or use an email client such as Outlook Express or Mozilla Firebird. If you would like these emails forwarded to another email address, such as an existing account at Yahoo, AOL, or Hotmail, please provide us with that information here:

Optional forward to: _____ @ _____

In addition to your primary email address, i.e. pat@patjones.com, we allow you to have two additional 'alias' email addresses, such as info@patjones.com or sales@patjones.com, which act as aliases to the primary account. This means that all email sent to your alias addresses will automatically be directed to the primary email account. This way you can manage all of your email from the same account location.

Optional alias 1: _____ @[\[YourDomainName\].com](#)

Optional alias 2: _____ @[\[YourDomainName\].com](#)

If you have any advanced or custom email needs, please speak with our customer service department. We will be happy to assist you.
